You can now order products from any pages that feature the "add to cart" icon. If you order by credit card, simply add the last 4 digits of your credit card.

Online Ordering Hints

Having trouble entering your credit card number?

You only have to add the last four digits of your credit card.

Can't add products to the shopping cart?

Please check to be sure cookies are enabled on your browser. The following link explains how to enable cookies: <http://www.google.com/cookies.html>

Can't remember your password?

Click on "recovery", enter your email address, and your password will be sent to you.

Can't find the shopping cart feature?

The shopping cart appears towards the bottom middle of every page from which you can order products online. Sorry, not all products can be ordered online. Please contact your local representative for support or call Customer Service:

North America

Tel: 800 345-0206

Fax: 603 595-0106

Hours of Operation: 8:30 AM to 5:30 PM ET

Europe

Tel: +44 (0) 161 486 2110

Tel: +44 (0) 161 486 2110

Having trouble finding the ordering online login page?

You can save time and avoid clicking through multiple pages by adding <http://www.matrixtechcorp.com/ordering/login.aspx> to your browser favorites.

Are you a repeat buyer?

You can access your last three orders to avoid re-typing each field.
